

Faculty Award Winners

Hartfield Excellence in Teaching Award

Since 2010, the Jefferson Scholars Foundation has recognized faculty in the School of Engineering and Applied Science with this annual award, which honors those who demonstrate that communicating knowledge and inspiring students are as important to the education process as scholarship. Recipients are nominated by department chairs or the dean and are selected by a panel of former faculty award winners.

Award for Excellence in Teaching

In 2012, the Jefferson Scholars Foundation began recognizing University faculty with this annual award that recognizes those who seek to instill in their students the virtues of scholarship and a love of learning. Recipients are nominated by department chairs or the dean and are selected by a panel of former faculty award winners.
